PROFILE

Hello! I'm Kristen Rogers, an outgoing and passionate 2D rigging artist & junior animator! I look forward to bringing characters to life and working on a team of fellow creatives!

EXPERIENCE

Freelance Rigger

Mighty Studios – May 2023 - August 2023

Working freelance at mighty studio I provide quality character and prop builds ranging in complexity. Sets own deadlines, manages invoices and maintains great relations with clients.

Character Rigger

Big Jump Entertainment – Nov 2022 - March 2023

Joined an amazing team of talented builds artists to create intricate character rigs for a feature film. Was responsible for meeting weekly deadlines, navigating shotgrid and communicating with my supervisor.

Character/Prop Rigger

Brown Bag Films – May 2022 - Nov 2022

Worked with a team of passionate riggers on a variety of episodic projects with a focus on building complex character and prop rigs, problem solving, and meeting deadlines.

Rigging / Storyboard / Comp Lead - Laundromonster Short Film

Seneca College - September 2021 - April 2022

Oversaw and collaborated with multiple artists to create the 2D Harmony rigs and storyboards for our short film. Provided critique and assistance to help with ease of use and enhance the story.

Teacher's Assistant *Seneca College* - September 2021 - April 2022

Provided support to the 2D Rigging Professor in class as well as provided outside assistance to students.

Freelance Illustrator *Remote* - July 2020 - Present

Communicates effectively with different clients to provide quality illustrations. Sets own deadlines, manages invoices and maintains great relations with clients.
